CELEBRATING 25 YEARS OF DEDICATION AND INNOVATION

by Dennis Cowhey, President, Computer Insights

A Milestone Of Excellence

As SC Fastening Systems proudly celebrates its 25th anniversary, it reflects on a quarter-century journey marked by dedication, growth, and success. Since its founding in 1999, SC Fastening Systems has committed itself to excellence in the industries it serves, continuously expanding its offerings and services to meet the evolving needs of its customers.

A Growing Team For Expanding Capabilities

Twenty-five years and still going strong. SC Fastening Systems has been actively expanding its team, aligning with its commitment to enhancing capabilities and expertise. These new hires bring fresh perspectives and specialized skills, ensuring they continue delivering exceptional service and innovative solutions to their valued customers.

Enhanced Digital Experience

As part of our ongoing commitment to customer satisfaction, SC Fastening Systems is excited to announce significant updates to its website, which is set to launch soon. These enhancements are designed

to improve user experience and accessibility, making it even easier for customers to find the products and services they need whenever and wherever they need them.

Celebrating Our Customers

SC Fastening Systems' success over the past 25 years would not have been possible without the unwavering support of our customers. To show our gratitude, they are hosting a series of customer appreciation events throughout the summer and fall. These events are their way of saying thank you to those who have been with us on this incredible journey.

Technology plays a part, Corey Wargo shared, "Our partnership with Computer Insights, Inc. has been a cornerstone of our operations for most of our 25 years in business. The Business Edge™ software, particularly the wireless warehouse feature, has been instrumental in streamlining our processes and enhancing our efficiency. We truly value the long-standing relationship we've built and look forward to continuing our successful collaboration for many years to come."

Comprehensive Value-Added Services

Their extensive range of value-added services truly sets SC Fastening Systems apart in the industry. Corey states, “We understand that our customers have unique needs, and we are dedicated to providing tailored solutions that help them achieve their goals. From custom and modified parts to inventory management solutions, kitting, assembly, special packaging, and sourcing and supply chain solutions, we provide comprehensive support to meet our customers’ unique needs.”

Value-Added Services

- **Inventory Management Solutions:**
Reduce lead times and prevent outages with our efficient inventory management systems.
- **Kitting, Assembly and Special Packaging:**
Enhance quality, accuracy, and productivity while minimizing inventory costs.
- **Custom & Modified Parts:**
Your source for special and hard-to-find parts tailored to your specifications.
- **Sourcing & Supply Chain Solutions:**
Strengthen your supply chain with SC Fastening Systems’ global sourcing capabilities and domestic product offerings.
- **Fire Protection Products & Services:**
Ensure safety and compliance with their first aid supplies and fire extinguisher inspection services.

Serving a Broad Spectrum of Industries

SC Fastening Systems is proud to serve a wide range of industries, including automotive, construction, education, government, hospitality, military, industrial, and truck & trailer. Their diverse product lines, which include fasteners, concrete anchors, cutting tools, safety equipment, and more, are designed to meet the specific needs of these industries, ensuring that we remain a trusted partner for all our customers.
